# Fall Programs

<p><b>Babies</b> (Birth to 8 mo by Dec. 1, 2009) Join us and support your baby's musical, physical, emotional, social, and cognitive development. We will sing, dance, rhyme, connect, interact, play, engage, stimulate, and celebrate. Love and enjoy yourself and your baby through our music!</p>	<p><b>Infant/Toddler's</b> (Birth to 12 mo by Dec. 31, 2009) Give wings to the music your child was born with. We share musical experiences that take you and your child from "the sun in the morning 'til the moon at night."  CD and song book included.</p>	<p><b>Two's</b> (24 mo by Dec. 31, 2009) You and your child will get down in the music to experience our rich, creative, and interactive musical menu. Sing, dance, play instruments, move rhythms, read rhythms, respond, and invent.  CD and song book included.</p>
<p><b>Three's</b> Your children are masterful, musical inventors. We share experiences that lead them to <b>connect beat, rhythm, melody, form, dynamics, tempo...</b> with their worlds of fantasy and naturalistic play. Our own special brand of program music, <i>talking piano</i>, begins in January. CD and song book included.</p>	<p><b>Four's</b> Children internalize everything musical through our original ONCE UPON A SONG STORIES. Singing stories, reading rhythms, discovering music in the trees, a sneeze... and dancing fingers on the keys. Beginning in January, a piano lesson in each class.  Piano book included.</p>	<p><b>Five's</b> We begin the year discovering and exploring music in the world all around us: Scale Play in the <i>Falling Leaves</i>, Music Reading in the <i>Colorful Trees</i>, Rhythm Play in the <i>Harvest Breeze</i>. <b>Song, Rhythm and Piano Safari!</b>  "Harry the Hippo &amp; Friends" song book included.</p>
<p><b>Six's and Seven's</b> <b>We jam, we jazz, we razz-a-ma-tazz!</b> This level of our creative music program includes lessons in voice, rhythm, music reading, listening, piano, and recorder...  Piano book and recorder included.</p>	<p><b>Seven's, Eight's, Nine's &amp; Ten's</b> We build confidence and performance skills through supportive experiences that include voice projection, acting, choreography, costume and scenery design, and the language of theater. We continue the musicianship spiral travelling upwards and outwards, expanding your child's musical understandings and abilities. Words are not enough to describe the blossoming talents of these continuing children. Lessons in voice, rhythm, music reading, listening, piano, and recorder are a part of every class. The year ends with a finale performance.</p>	
<p style="text-align: center;"><b>* * Kaleidoscope Theater * *</b></p> <p style="text-align: center;"><b>Our NEW Musical Theater Program for 10 to 13 Year Olds</b></p> <p>This intensive class teaches everything that is musical theater: voice lessons, acting techniques, dance, choreography, costume and set design... Our theater program is taught by our faculty with the aid of Broadway performers including professional voice coach and Broadway performer Bill Hall. Multiple performances give your child the chance to act many roles and to work on a show from a variety of perspectives. We are excited to build upon our classic music theater programs and provide an expanded, focused, dynamic, hands-on dramatic musical experience for older youth. Join us to prepare your child for every "stage" of life. <i>Join us in our Norwalk/Westport location for this class on Tuesdays 4:15-6:15!</i></p>
